#### 2012 GUEST JUROR

#### John Agg

John has been a member of the Board of the Museums of Los Gatos for twelve years, and one year ago assumed the position of Executive Director.

John grew up in an environment of culture and the arts, but began his professional career as a Chartered Accountant in the City of London. He soon realized that his true calling was not in the accounting profession.

A trip to the United States resulted in a new career in the high tech industry, and a succession of executive positions with Intel, Pitney Bowes, and Dictaphone.

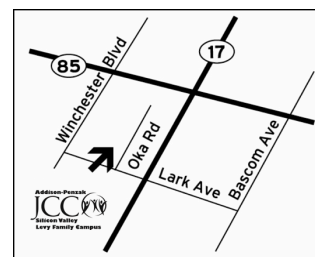

In 1995, he opened a series of art galleries in the Peninsula and South Bay. Zyt Gallery in Los Altos, the flagship location, was 7,000 square feet of gallery, production, framing and conservation services.

Welcome to the Addison-Penzak JCC! Our commitment to you is to enhance the quality of your life. Whether you're new to Silicon Valley, or your family has lived here for generations, the JCC can help you connect to our community. We offer programs for all ages and interests, so you can follow your passion or find something new.

The Addison-Penzak Jewish Community Center offers films, theatrical performances, and concerts in the APJCC Auditorium, as well as art exhibits in their second floor art gallery hall.
