Upcoming Events

July 8, 2017: 1-3pm, Zoya Scholis, Acrylic Abstract with Palette Knife

Zoya is an abstract artist who grew up in Monterey, California. She received a BA in Studio Art from CSUEB in 1993, where she studied Painting and Art History under Enrique Chagoya, Mel Ramos and Dr. Mark Levy. Zoya is best known for her work in Watercolors. She has shown paintings throughout the US and won numerous awards.

Although most of her paintings feature natural forms—birds, leaves, petals, fruit, landscape—she is primarily a process painter, whereby the end result of the painting is not the primary focus. Her teaching style includes movement, improv games and music to enhance learning and creative inspiration. Zoya has taught art for over twenty years, and leads Art for Personal Growth Workshops. She resides in San Jose, CA. See zoyart.com for more information.

August 12, 2017: 1-3pm, Peggy Milovina Meyer, Colored Pencil Animal Portrait

Peggy is a Fine Art Illustrator whose medium is Colored Pencils. Her subject matter is pet portraits, people portraits, and natural science subjects such as botanical illustrations. Peggy studied art at San Jose State University and De Anza Community College. Her experience includes creating illustrations for nature and science journals, magazine covers, advertising and private and commercial commissions. She is a member of the Guild of Natural Science Illustrators.
